

■ Meeting New Friends

One sunny day, Adi went to the park with her mom. She saw some kids playing together and wanted to join in on the fun! But before she could go over, a little girl named Lily ran up to her and said, 'Hi, my name is Lily!' Adi smiled and introduced herself too. They started talking about their favorite toys and colors.

■ Playing Together

Adi and Lily decided to play a game of tag. They ran around, laughing and shouting together. Adi was so happy she met someone new who liked the same games as her! Just then, another little boy named Max joined in on the fun. He loved playing hide-and-seek too! The three friends played until it was time for snack.

■ Helping Each Other

During snack time, Lily accidentally knocked over her juice box. Adi quickly helped her clean up the spill. Then, Max got stuck in the sandbox because it was too hard to get out. Adi and Lily worked together to help him out. They were happy they could be there for each other.

■ Sharing Secrets

After snack, the three friends sat down together and started sharing secrets. Adi told them about her favorite book, Lily shared her love of butterflies, and Max showed off his cool new toy car. They all laughed together and felt happy to have someone special to share with.
