

## ■ Kridha Finds a Lost Toy

One day, while playing outside, Kridha found a shiny red ball. She had never seen it before, but it looked like so much fun! She picked it up and started to play with it.

## ■ *Kridha Tells the Truth*

But then Kridha remembered that she had borrowed a toy from her friend, Ria. She didn't want to get in trouble for not returning it on time. So, she took a deep breath and told Ria the truth: 'I found your red ball outside! I'm sorry I didn't return it when I promised.'
